SWAM ASHORE.

Whalemen Discarded Their Floating Abode for Terra Firma.

The captain of the steam whaler Belvedere, lying at anchor outside the harbor, is experiencing no end of trouble with his men, who persist in making attempts to desert the ship. One man swam ashore the other night but was caught and imprisoned at the Police Station and will be taken on board when the Belvedere is ready to leave for the north. Some time last night another sailor slipped overboard and swam ashore. He had on a life belt which he discarded on arriving near the wharf. It was found by Superintendent Paul Smith of the dredge near where the dredge is working. The name Belvedere is on the belt. The men are taking great risks in swimming ashore from where the steamer is lying, the locality being a hotbed of sharks. It must be about a mile from the reef.

In a recent editorial the Salem, Oregon, Independent says: "Time and again have we seen Chamberlain's Cough Remedy tried and never without the most satisfactory results. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy; and when they do, they never regret it. It always does the work, and does it well." For sale by Benson, Smith & Co., Agents for the Hawaiian Islands.

HOSPITAL FLOWER MISSION.

Proceedings of the Annual Meeting—Thanks to Friends.

Last Thursday afternoon, 21st inst., the annual meeting of the Hospital Flower Society was held in the Y. M. C. A.

It was presided over by Miss Lewers, the vice-President, in the absence of the President, Mrs. Swanzy.

A vote of thanks was passed to Mrs. Irwin for her munificent donation of two hundred and fifty dollars; to Mr. Herbert for a gift of chrysanthemum plants and seeds; to Mrs. Thomas Brown and Mrs. Lewers for their kind weekly supply of flowers, and also to those good friends who occasionally have sent the beautiful blooms of their gardens to cheer the sick and afflicted.

Mrs. Swanzy was re-elected President, Miss Lewers, vice-President, and Miss von Holt, Treasurer. Miss Jordan retired from the secretaryship and Miss Pinder was elected in her place.

Miss Hustace and the Misses Parke, Mrs. Gilman and Miss Pinder are the Flower Committee for this quarter, and will be thankful to any one who can send a few flowers to the Hospital any Wednesday about 9 o'clock in the morning. Notwithstanding Mrs. Lewers' generous supply of flowers during the past year it has sometimes proved impossible to provide even two blossoms for each sufferer, owing to the scarcity and consequent high price of flowers just now, also to the large number of patients—last week there were seventy-eight.

We would like to thank Mr. Eckardt, and the nurses, most cordially for the pleasant way in which they make work easy for the distributors and the kindly welcome they give when they chance to meet them.

The society buys half a dollar's worth of flowers each week, but as the members are anxious to save money to endow a bed, the cost of which would be six thousand dollars, and they have only six hundred and sixty-six in hand, it would not be considerate of the committee to ask for more.

In view of this we would like to suggest to our readers that by giving one dollar a year (which constitutes membership), or by sparing a few flowers from their gardens, they can give pleasure to many weary sufferers and help on the enlargement of the Hospital.

Prisoners Released.

At 12 o'clock noon to day the following list of names was handed to Captain Scott with instructions to hand it to Jailor Low. The list contained names of prisoners who are discharged from custody. They were thought to be implicated in the recent uprising. They are James K. Kaula, John Richardson, W. H. Daniels, W. H. Kealakai, George Carson Kenyon, J. K. Kaunamano, W. H. Kapu and Frank Mahuka. The men were let out at 1 o'clock.

The exposure to all sorts and conditions of weather that a lumberman is called upon to endure in the camps often produces severe colds which if not promptly checked, result in congestion or pneumonia. Mr. J. O. Davenport, ex-manager of the Fort Bragg Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store and that he has himself used this remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and insures a prompt recovery. For sale by Benson, Smith Co., Agents for the Hawaiian Islands.

What Shall We Drink?

When the rays of Old Sol are boiling down at a ninety degree rate, the air like the breath of a furnace and everything hot, dry and dusty, the natural desire of the average human is to drink. But, what to drink? There's the question.

The serious effect of an over-indulgence in ice water is well known. The thousand and one cheap gassy beverages are known to be more or less injurious to the health, while the mineral waters of known purity and healthfulness are a luxury beyond the reach of but few. What shall we drink?

A beverage to meet the requirements, must, first of all, be absolutely pure and non-alcoholic. It should possess a medicinal element to counteract the effects of the heat and keep the blood pure and the stomach healthful. In order to be palatable and refreshing, it should be sparkling and effervescent. Last but not least, it must be economical and within the reach of all. A beverage that fully meets all of the above requirements and one that is entitled to more than passing mention is HIRES' ROOT BEER, manufactured by the CHAS. E. HIRES & Co., of Philadelphia, U. S. A. This preparation has been analyzed by the highest authorities and pronounced by them to be free from any deleterious substance and absolutely non-alcoholic; while all physicians acknowledge its health giving qualities. It has a delicious, appetizing flavor, is full of snap, sparkle and effervescence, and is without a peer as a refreshment.

A package from your storekeeper will make five gallons of this great temperance drink. Truly it answers the question—What shall we drink? There are many substitutes and imitations of HIRES' ROOT BEER offered for sale which should be carefully avoided.

Testimonials:

"We have used your Root Beer for over a year and find it delicious and healthful. We would not like to be without it a single day. We find it is helping all of us.—MRS. F. H. CLARK, 735 Chester St., Oakland, Cal., U. S. A."

"We have used over one hundred bottles of your Root Beer, drinking it winter and summer. My brother and myself are total abstainers, drinking nothing but Hires' Root Beer.—MICHAEL KELLY, 16 Water St., Waltham, Mass., U. S. A."
